---------	--------------------------	----------------------------------

*) The price is calculated for the entire period of the original Letter of Credit validity (taking into account any conceivable L/C term extension) and for the total original amount (taking into account any conceivable L/C amount increases) even if the Letter of Credit is subsequently cancelled, used prior to the end of its validity or if the L/C amount is decreased. The price is calculated from the Letter of Credit amount including any conceivable tolerance and/or any additional amount payable from the L/C (e.g. interest, etc.).

For conversion transactions in different currencies, the No-C-Buy rate is used at the transaction input and the No-C-Sell rate is used at the transaction output for conversion purposes. The fees indicated in a percentage amount are calculated from the converted amount.

Any transaction where the currency on the transaction side differs from the account currency is deemed a conversion transaction.

The fees applicable to foreign currency accounts are indicated in CZK and charged as a counter value in the particular foreign currency. The fees are converted based on the Czech National Bank exchange rate.

Apart from the fees for services specified in the List of Charges, also the actual expenses of Česká spořitelna, a.s. as well as other expenses (e.g. expenses of other banks and institutions) are charged. The fees are debited to the particular account during the provision of services, and/or the fees may be deducted from the L/C yield.

Additional fees charged for services provided by Česká spořitelna, a.s. are detailed in other parts of the List of Charges.

In exceptional cases, the bank may provide a discount from the specified fee.

This List of Charges shall become valid as of 1 January 2007 and any amendments shall be published at the branches of Česká spořitelna, a.s.
