- 1) The fee includes the determination of the real property common price (based on type and size) proposed by the client in order to secure the receivable of CS, including a risk assessment of the bank associated with accepting the lien
- 2) The fee includes the drawing of a Security Value Update/Construction Report, handover of the same to the POS, as well as a risk assessment of the bank associated with drawing of a loan secured by real property under construction;

Apart from the fees for services specified in the List of Charges, also (-) other expenses (e.g. expenses of other banks and institutions) are charged. The fees charged to the client's account, debited to the loan account or paid in cash not later than upon the closing of the loan account, and/or at the end of the year. The fees for external services associated with the loan (project or security appraisal, notarial charges, etc.) are paid by the client either immediately or upon the execution of the agreement. Upon request, Česká spořitelna shall issue a receipt for fees paid in cash.

The fees charged for the provision of bank information and telecommunication services relating to banking transactions are specified in Part IX Other Bank Services.

The loan account or credit transaction administration and maintenance fee is payable irrespective of the fact whether the account is terminated before the expiry of the term as specified in the List of Charges.

Additional fees charged for services provided by Česká spořitelna, a.s. are detailed in other parts of the List of Charges.

In exceptional cases, the bank may provide a discount from the specified fee.

This List of Charges shall become valid as of 01 June 2010 and any amendments hereto shall be published at the branches of Česká spořitelna, a.s.
