Subject: SERVIS 24 Internetbanking Notification

Dear client,

We constantly working to ensure security by regularly screening the accounts in our system. We recently reviewed your account, and we need more information to help us provide you with secure service. Until we can collect this information, your access to sensitive account features will be limited. We would like to restore your access as soon as possible, and we apologize for the inconvenience.

Why is my account limited?

Your account has been limited for the following reason(s):

Unusual account activity has made it necessary to limit your account until additional verification information can be collected.

Our system detected unauthorized use linked to your account.

How can I get my account restored?

The restoration form is attached to this email. Please download the attachment, open it and follow the instructions on your screen.

Once you complete all of the checklist items, your case will be reviewed by one of our account specialists. We will send you an email with the outcome of the review.

Thank you.
