Given that the total number of Offered Shares under effective Notices of Acceptance exceeds the number of Demanded Shares (i.e. exceeds 1,114,750), the effective Notices of Acceptance will be satisfied proportionately in accordance with the Bid Document by applying the Proportionate Satisfaction Coefficient in the amount of $1,114,750 / 6,528,283 = 0.170757$ (after rounding) so that the number of Offered Shares under an effective Notice of Acceptance by a respective Interested Party is multiplied by the above Proportionate Satisfaction Coefficient and rounded down to the nearest whole number.

The Settlement Date in accordance with Article 5.7 (*Notification of Bid Results*) of the Bid Document is 3 October 2017, i.e. the 25th business day after the publication date of this Notification of Results.
