

INFORMATION ON 2009 YEAR-END PAYMENT PROCESSING CORPORATE CUSTOMERS

Dear Client,

We would like to inform you about the process of balance accounting at the end of 2009.

➤ Domestic payments

For domestic payments which shall be credited to accounts maintained by other domestic banks in 2009, payment orders must be sent via MultiCash service not later than December 31st 2009, 10 am. Express payment orders must be sent not later than December 31st 2009, 12:30 pm.

Česká spořitelna, a.s. does not guarantee that payment orders entered after this time will be credited to the beneficiary's account in 2009 (the actual settlement date depends on the beneficiary's bank).

CZK payment orders to be credited to accounts maintained in Česká spořitelna, a.s. and made by MultiCash service before 8 pm, December 31st 2009, will be settled still in 2009 both on the payer's as well as beneficiary's side.

Direct debit orders to be debited to accounts maintained by other banks and made by MultiCash service on December 29, 2009 and December 30, 2009 before 8 pm will be settled in 2009 in cases where the payer's bank will credit funds to the beneficiary's account held in Česká spořitelna, a.s. also in 2009.

Direct debit orders to be debited to accounts maintained by Česká spořitelna, a.s. and made via MultiCash service on December 31st 2009 before 8 pm will be settled still within 2009.

➤ Foreign payments

Foreign payments made via MultiCash service on December 31st 2009 before 2 pm and orders received after this hour but still within the business day, which will not exceed an equivalent of CZK 0.5 million and will not contain any specific or incorrect instruction or request of the client for payment settlement by a preferential rate, will be processed in a standard way, i.e. client accounts will be debited with an amount converted by valid exchange rate of the payment order receipt day.

Money transfers abroad will also be processed and converted in a standard way and within terms as applicable for payment transactions (however, in case of holidays in the country of the beneficiary's bank value dates may be brought forward).

All other foreign payment orders made via MultiCash service on December 31st 2009 after 2 pm will be processed on January 4th 2010.

Clients who wish to make their foreign money transfers within 2009 are requested to send their payment orders as follows:

- **with standard priority** not later than on **December 29th 2009** within regular business hours
- **with urgent priority** not later than **December 30th 2009** before **3 pm**
- **with express priority** not later than **December 30th 2009** before **11 am** (in the following currencies: CAD, CZK, EUR, GBP, HUF, CHF and USD)
- **PriEuro** not later than **December 31st 2009** before **11 am**.

Money transfers abroad within 2009 are further dependent on holidays in countries of banks participating in the money transfer. Actual crediting of funds to the beneficiary's account is therefore dependent on its bank.
